RESOLUTION # 2007-14

RESOLUTION DECLARING THE NEED TO REASSESS REAL PROPERTY IN PARKE COUNTY, INDIANA AS OF MARCH 1, 2006

WHEREAS, the Department of Local Government Finance (Department) is charged with maintaining a just and equitable valuation of real property throughout the state; and

WHEREAS, the Department finds the accurate assessment of real property to be an indispensable requirement for a fair and equitable system of property taxation; and

WHEREAS, the Department has adopted 50 IAC 21, an administrative rule that requires the annual adjustment of all property values in accordance with Ind. Code § 6-1.1-4-4.5 beginning with the March 1, 2006 assessment; and

WHEREAS, the assessment-to-sales ratio study submitted by the Parke County Assessor indicated that assessments on residential property in Penn and Wabash Townships were inaccurate or inequitable, specifically:

- a) Unimproved residential property assessments in Penn and Wabash Townships were outside the acceptable range of assessment accuracy required by 50 IAC 21; and

WHEREAS, the assessment-to-sales ratio study submitted by the Parke County Assessor indicated that assessments on residential property in Raccoon and Jackson Townships were regressive or progressive, specifically:

- a) Improved residential property assessments in Raccoon Township were outside the acceptable range of assessment uniformity required by 50 IAC 21; and
- b) Unimproved residential property assessments in Jackson Township were outside the acceptable range of assessment uniformity required by 50 IAC 21; and

WHEREAS, the assessment-to-sales ratio study submitted by the Parke County Assessor indicated that assessments on commercial property in Reserve and Union Townships were regressive or progressive, specifically:

- a) Improved commercial property assessments in Reserve and Union Townships were outside the acceptable range of assessment uniformity required by 50 IAC 21; and

WHEREAS, a county-wide analysis of gross assessed values on all classes of industrial parcels revealed that ninety-one percent (91%) of these parcels had no change or a decline in assessed values from the 2005 assessment year to the 2006 assessment year; and

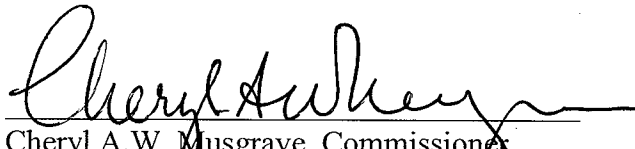

WHEREAS, a county-wide analysis of gross assessed values on all classes of commercial parcels revealed that eight-nine percent (89%) of these parcels had no change or a decline in assessed values from the 2005 assessment year to the 2006 assessment year; and

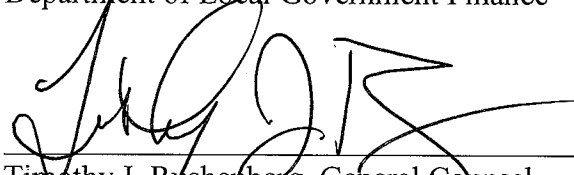

WHEREAS, upon review of all available data, the Department hereby finds compelling evidence of assessment errors and concludes that sufficient cause exists to justify further investigation into the reassessment of real property in Parke County, Indiana.

NOW THEREFORE, BE IT RESOLVED by the Department that there is sufficient cause to believe it necessary to reassess real property in Parke County, Indiana for the March 1, 2006, assessment date in accordance with Ind. Code § 6-1.1-4-9.

BE IT FURTHER RESOLVED THAT a public hearing on this Resolution and the reassessment of Parke County, Indiana for the March 1, 2006, assessment date shall be held at the Parke County Courthouse in compliance with Ind.
